AMEND Senate Bill No. 1185

House Bill No. 1156*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 4-56-108, is amended by adding the following language as a new subsection:

(h)

(1) To the extent practicable and to the extent that a state governmental entity does not assume additional costs for complying with this section, each state governmental entity shall provide the comptroller of the treasury a list of all active contracts and grants of more than five thousand dollars (\$5,000); provided, that the chief procurement officer shall submit such information to the comptroller on behalf of each state governmental entity within the executive branch other than institutions of higher education, the University of Tennessee system, the state board of regents, and any state university board. The list must be updated not less than quarterly. The comptroller of the treasury shall make the list available on the public website of the comptroller of the treasury.

(2) For purposes of compliance with this subsection (h), each state governmental entity and the chief procurement officer, as applicable:

(A) Shall use existing data and resources without reallocation of resources;

(B) Shall not provide any information that is confidential under existing law;

(C) Shall only provide information that is available to the public upon request; and

(D) May submit the information in any form or format that reflects the manner in which the state governmental entity or chief procurement officer maintains the information.

(3) Each list provided by a state governmental entity or the chief procurement officer under subdivision (h)(1) must include:

(A) The parties to each contract or grant;

(B) The effective date of each contract or grant;

(C) The amount payable under each contract or grant; and

(D) A description of the services acquired or performed.

(4) As used in this subsection (h):

(A) "Grant" does not include a grant for higher education or research; and

(B) "State governmental entity" means any agency, authority, board, commission, department, or office within the executive branch of state government, or any autonomous state agency, authority, board, commission, council, department, office, or institution of higher education other than the legislative or judicial branches of government.

SECTION 2. This act shall take effect July 1, 2017, the public welfare requiring it.
